9. NOTICE TO CALIFORNIA CUSTOMERS RE: LCFS. (a) California’s Low Carbon Fuel Standard (“LCFS”) was enacted to ensure that the mix of fuels sold by California oil refiners and distributors meets applicable greenhouse gas emissions targets. California has a statewide goal to reduce carbon intensity of transportation fuels by at least 10% by 2020. (b) EV chargers can track the fueling of electric vehicles, which positively contributes to reducing California’s carbon intensity. If applicable reporting requirements are met, LCFS credits are issued by the California Air Resources Board. An available LCFS credit may be claimed by certain owners and operators of electric vehicle charging stations, including both Buyer and Seller. However, the LCFS credits are only available to one party, meaning any available credits may be claimed by either Buyer or by Seller/LILYPAD EV, but not by both. LILYPAD EV intends to claim available LCFS credits generated from use of the Charging Stations but will not claim any available LCFS credits that Buyer intends to claim. (c) If Buyer intends to claim the LCFS credits, it must engage in the reporting and other administrative obligations necessary to generate such credits and Buyer agrees that it will provide LILYPAD EV with written notice of its intent to claim LCFS credits within ten (10) days of the date of the delivery of the Charging Stations. If Buyer does not currently intend to claim the LCFS credits, but desires to do so at any time in the future, Buyer may, by providing written notice to LILYPAD EV, elect to claim LCFS credits generated thirty (30) days and more after the date of such notice. Buyer represents and warrants to LILYPAD EV that, in the absence of providing written notice, it will not claim any LCFS credits. All notices shall be provided by email to LilyPad EV at EVinfo@lilypaddev.com.

Any description of the goods contained in the Agreement or on any invoice is for the sole purpose of identifying the goods, is not part of the basis of the bargain, and does not constitute a warranty that the goods will conform to that description. The use of any sample or model in connection with this Agreement is for illustrative purposes only, is not part of the basis of the bargain, and is not to be construed as a warranty that the goods will conform to the sample or model.
